STRAWBERRY HILL,
SIMLA. E.

19 July. 22.

My dear Mirza Sahib,

ہوئیں مدین کہ بہین خبر ہیں وہ کہہ اور ہیں ہم کہہ - نہ نامہ بر نہ پیام نہ سلام ہے نہ پیام ہے -

The cause of my silence was illness in the house. First I have been ill & then my younger son got appendicitis. I am thankful to say that he is much better now & out of danger. I did not get the operation performed though it may become necessary at any time.

Very many thanks for you to kindly making arrangements for the supply of "Whisk Ballies".

As asked by you I have not again spoken about your affairs to any officer here - nor have I seen any body. I will not do so unless you wish me to do so.

You remember my son's tutor Mr. Jones showed a manuscript to H.H. He now propose to send it home for publication. I then asked H.H. if he had any objection to Mr. Jones dedicating the book to H.H.

- H. H. said he would gladly give permission for the dedication. I shall be obliged if you will kindly obtain H. H.'s permission & send a formal letter addressed to W. J. Jones giving him permission to dedicate the book "Light of India" to H. H. This does not involve any monetary help at all.

As to myself

چه می پرستی من خال دل غمیدام چون شد - دلم شد خون و خون شد آب آب از دیده بیرون شد -

زیاده اشتیاق ملاقات

Yours as always
Hajit-Ling.

My best respects to H. H. ۱۵۳.
